### **The Freak Show! More Fun, Freaks and Shreeks!**

The Original Synners Stunt Show Spectacular stars John Shaw and Lady Diabla. These two amazing entertainers have now joined forces to create a one of a kind show that features classic and modern circus sideshow stunts, magic, illusions, escapes, western whip tricks, knife throwing, comedy, and audience participation.

John Shaw started his entertainment career at the tender age of 8 by experimenting with magic tricks then moved on to escapes and larger scale illusions. After being selected as audience participant from a touring circus, John participated by pulling a sword from the performer's throat. After that encounter John was hooked! (or so to speak!)

Lady Diabla is a stunt performer, including sword swallowing. Diabla is one of the youngest female sword swallows of a very small trade of only 8 in the world!. This lithe femme fatal got her start working with Ward Hall on The World Of Wonders Show. One of the last 10 in 1 traveling sideshows left today. Lady Diabla has toured the country , shockingly engaging audiences with her beauty, unique style and amazing skills. Lady Diabla was featured on the cover of, "The Las Vegas Weekly" and voted one of the most beautiful people in Las Vegas by the "The Las Vegas Weekly" annual survey.

Some of their many television appearances include: The 1999 Billboard Music Awards, The USA Network, The Jenny Jones Show, The Rikki Lake Show, MTV, NBC, VH1, The Howard Stern Show, The New Tom Green Show, Ripley's Believe It Or Not, The Average Joe 4, E!, The Tonight Show with Jay Leno, National Geographic, Taboo, The New Gong Show, MTV's Pranked, and Jerry Springer to name a few. Film credits include:: Fear and Loathing in Las Vegas, Gamer, Austin Powers 2, and Beer For My Horses.
